

JANITOR TO THE COMMITTEE ON INDUSTRIAL ARTS AND EXPOSITIONS.

JANUARY 26, 1904.—Ordered to be printed.

Mr. HILDEBRANT, from the Committee on Accounts, submitted the following

REPORT.

[To accompany H. Res. No. 39.]

The Committee on Accounts, to whom was referred the resolution (H. Res. No. 39) providing for the appointment of a janitor to the Committee on Industrial Arts and Expositions for the sessions of the Fifty-eighth Congress, at the rate of \$60 per month, to be paid out of the contingent fund of the House, have had the same under consideration and recommend its adoption.

The Committee on Industrial Arts and Expositions has been made a standing committee of the House, and its membership increased from 9 to 15. The committee occupies a large, well-furnished room in the old library portion of the Capitol, and is now one of the important committees of the House. We think it justifiable in providing this committee with a janitor, equally with other committees so provided, and therefore report the accompanying resolution favorably.
